

CE800 ELLIPTICAL TRAINER

The CE800 was specifically engineered for the commercial environment, from its heavy-duty steel frame to its durable powder coat paint finish. Its design focuses on convenience, comfort, reliability, and aesthetic appeal. Facility owners will have the peace-of-mind knowing they have a dependable machine while users experience a fluid total-body workout.

Optional TV Bracket (TV not included)

CE800 ELLIPTICAL TRAINER

- Smooth, quiet 20" stride, which is the optimal distance for the average user
- Dual rollers on each pedal arm for a sturdier base
- Generator powered console means there is no need for electricity
- 2 degrees of inversion at each foot pedal places the user in an anatomically correct position
- 40 levels of resistance to satisfy the needs of beginners or advanced exercisers
- C-safe power and communication capabilities for A/V control

Fan to keep you cool

Ten effective programs

Tablet friendly reading rack holder

20-character message center

Large LED matrix window

Heart rate percentage profile

Convenient storage compartment

CE800 CONSOLE FEATURES

As with any product, a major importance is the user interface. We focused on making everything easily accessible and comfortable: A storage tray for a phone, keys, or an MP3 player, ergonomically friendly pulse grip handles for a more natural hand position, and a turbo cooling fan to keep your clients cool and encourage them to work out longer. Our large, easy-to-read console gives your clients constant feedback from calories to distance to time.
