

CU800 UPRIGHT BIKE

Optional TV Bracket (TV not included)

The CU800 was specifically engineered for the commercial environment, from its heavy-duty steel frame to its durable powder coat paint finish. The design focuses on convenience, comfort, and durability. The console offers multiple programs, most with 40 levels of resistance and enough feedback information to make sure your clients never grow bored of the CU800. The extra-smooth ride comes from the perfect gearing and the integrated generator/flywheel system.

CU800 UPRIGHT BIKE

- Contact and telemetric heart rate capabilities to make the workout more effective
- Generator powered console means there is no need for electricity
- Oversized foot pedals with fast latching system
- Dual spring seat with fore/aft adjustment for extra comfort and a custom fit
- 40 levels of resistance to satisfy the needs of beginners or advanced exercisers

Fan to keep you cool

Ten effective programs

Tablet friendly reading rack holder

20-character message center

Large LED matrix window

Heart rate percentage profile

Convenient storage compartment

CU800 CONSOLE FEATURES

As with any product, a major importance is the user interface. We focused on making everything easily accessible and comfortable: storage tray for a phone, keys, or an MP3 player, ergonomically friendly pulse grip handles for a more natural hand position, and a turbo cooling fan to keep your clients cool and encourage them to work out longer. Our large, easy-to-read console gives your clients constant feedback from calories to distance to time.
